WP3 - Timeline

JAN 2019

Research

Symposium (22nd Nov)

flock

Development of model

Evaluation

Training

Data System developed

Initial course pilot

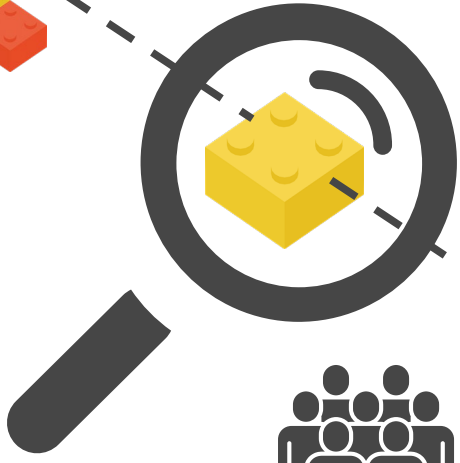
SEPT 2020

3Set

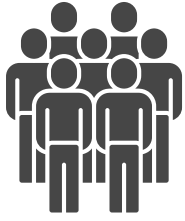
HEA | HIGHER EDUCATION AUTHORITY
AN tÚDARÁS um ARD-OIDEACHAS

WP3 - Pivot

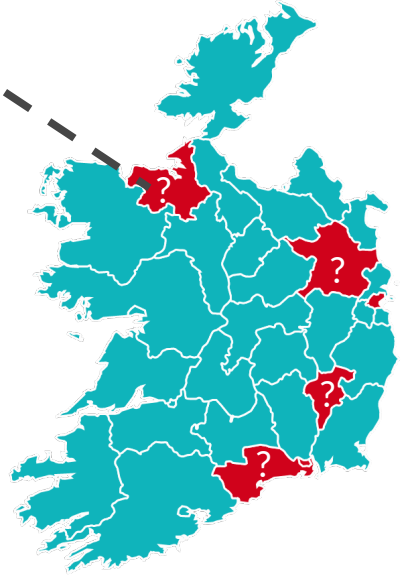
Take model developed to date



Focus on requirements for orientation in online context



Build and consult with student subgroup throughout



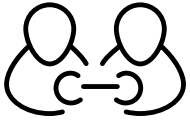
Identify national partners and enable operation in any HEI

3Set HEA | HIGHER EDUCATION AUTHORITY AN tÚDARÁS um ARD-OIDEACHAS

WP3 - Revised outcomes

Online model for peer-led orientation available to any HEI

Data around online orientation experience gathered from all participating HEIs and evaluated



Cross-institutional knowledge sharing: network of expertise

flock

Live sharing of data and resources to:

- enhance online experience for new students
- develop ongoing online resources based on student preference
- road test the pilot model's theory

WP3 - How to get involved

Participate in the conversation about what we build, how and why

Encourage student particpation from your HEI - design, development and/or implementation

Inform the conversation about tech/license needs

Inform the conversation about training needs

Facilitate data gathering and feedback

Email: student2student@tcd.ie
